American Conifer Society
2017 Collectors' Conifer of the Year Order Form

The Collectors' Conifer of the Year program is restricted to active members of the American Conifer Society. Plants cannot be shipped outside of the United States. Purchase is limited to one of each selection per member.

Please complete the order form, include your check or credit card information, and return to the National Office at the address below.

Plants will be shipped in Spring 2017 and will arrive in their own shipping containers via pre-paid ground delivery to the shipping address you have indicated (no PO Box numbers).

The Conifer of the Year selections carry a conditional one year / one time replacement guarantee.

All plants will be accompanied by an anodized aluminum tag with its holder that will permanently identify the plant as the winner of the American Conifer Society's annual award of "Collectors' Conifer of the Year".

Since there are limited numbers of each plant being produced for the program, orders will be filled by date of receipt until inventory sells out. All orders must be received by February 1, 2017.

Detailed care and planting instructions will accompany each plant.
