

Thank you for your article and/or photo submission to the American Conifer Society. Please complete the following copyright agreement. After reviewing the agreement, sign it, and return it to the Editor as soon as possible at: Dr. Ronald J. Elardo, 5749 Hunter Ct., Adrian, MI 49221-2471.

COPYRIGHT AGREEMENT

This agreement is made between the American Conifer Society ("Society"), and

("Contributor")

regarding any copyrights held by the Contributor in works of authorship ("Works") submitted for publication.

Contributor, warranting that:

- (1) it is the author of the Works, except for those portions shown to be quotations;
- (2) the Works do not violate copyright or other proprietary rights,
- (3) the Works contain no material that is libelous or in any way unlawful, and

(4) have not previously been published, in whole or in part, except as noted at the time of Submission and in consideration of the Society's considering the Works for publication, and without any expectation of being remunerated for the Works, hereby irrevocably grants the Society the right:

- (1) to publish the articles and/or photographs in the Conifer Quarterly ("Periodical"),
- (2) to claim copyright in the Periodical in which the Works appear for all editions,
- (3) to edit the Works to make them suitable for publication,
- (4) to translate the Works as part of translation of the Periodical as a whole,
- (5) to non exclusively license reprints of the Works,
- (6) to reproduce, reformat, and redistribute all or part of the Works in electronic format, by any means now known or hereafter invented, including but not limited to CD-ROM disk and making the Works available on the Internet, and
- (7) to transfer these rights to any successor organization of the Society, and

Contributor agrees to proofread if requested to do so and otherwise to cooperate to the end of publication.

Contributor retains the right to use the material in the Works in any other writing of its own, whether in article or book form.

The Society agrees to use its best efforts to insure that the Contributor's name remains associated with the Works, and not to authorize publication, reproduction or redistribution of the Works without acknowledging the Contributor's authorship.
