

# THE AMERICAN CONIFER SOCIETY

## YES, I WANT TO JOIN THE AMERICAN CONIFER SOCIETY

The American Conifer Society is a not- for- profit, tax-exempt organization founded in 1983. The mission of the American Conifer Society is the development, conservation and propagation of conifers, with an emphasis on those that are dwarf or unusual, the standardization of nomenclature, and the education of the public.

I would like to donate to the following American Conifer Society Funds:

**Endowment and Memorial Fund:** \_\_\_\_\_
